

Dear Parent/Carer,

We are offering a "listening ear" support service that complements the promotion of emotional wellbeing of pupils in our school. This is called, "The Hope Project".

This project is available to help your child/family at times of difficulty such as loss, change, sadness, anxiety or any other of life's difficulties.

We believe that your child would benefit from some additional support at the moment and would like your permission to carry out some 1:1 sessions with them.

A member of staff will have discussed this with you, however, if you would like any further information about the HOPE project or what will be covered in the session, please feel free to contact me:

either via the school office 01785 334960

or email Ahensley@st-leonards-stafford.staffs.sch.uk

Yours sincerely,

Mrs Hensley

When the world says "Give up!"  
HOPE says... "Give it one more try"
