

A note from Miss Roberts.....

At the end of my first week as the new Headteacher of St Leonard's, I wanted to send out a short newsletter with some key information for parents and carers. I have thoroughly enjoyed my first week in school and look forward to getting to know you and your children better over the coming weeks.

It has been a wonderful to welcome all of the children back to school over the last few days. The children have been so excited to see their new classrooms and have enjoyed exploring the school grounds.

Our new and existing children have settled back into school life ever so well and have taken the changes in their stride. I'm incredibly proud of them all.

School Lunches

Polite reminder: Parents of children who require a hot meal providing by the school need to fill in the weekly survey. The survey is sent out via email on a Tuesday and closes on a Thursday. A reminder text is sent out too. Thanks for your cooperation with this.

Parking

We have been approached by some local residents in the last few days to ask parents of children in the school if they could be considerate when parking in the streets around the school and not block residents' driveways and gateways.

We appreciate that parking is limited around the school site and we appreciate your ongoing cooperation with this.
