

1. Summary Information

**St. Leonard's
Primary School**

**Academic Year:
2024-2025**

**Total Sports Premium
Budget: £17, 620**

2. What is Sports Premium Funding?

In 2013, the government announced spending of £150 million per year to be used in schools throughout the UK, specifically to improve the provision of physical education and sport in primary schools. Schools are free to spend the funding in whatever area of PE and sport that they feel needs to be improved upon. Examples can range from buying in coaches to purchasing new equipment.

3. Physical Education and Sport at St. Leonard's Primary School

At St. Leonard's Primary School, we will use the money effectively in order to implement a PE programme which will ensure that all pupils leaving our school are physically literate and have the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and a lifelong love of physical activity and sport. Pupils at St. Leonard's participate in one afternoon of structured PE sessions per week. These are delivered by class teachers. We aim to deliver high quality PE following the National Curriculum. This year we plan to use the additional funding to:

- Engage many of our pupils in regular physical activity, through Commando Joe's
- Continue to increase the opportunities for all pupils to participate in competitive sport (particularly SEND, DIS and in-active pupils)
- Educate the children in how to manage their fitness and wellbeing
- Provide a broader range of sports and activities to all of our pupils through half termly enrichment days
- Increase our association with local external sporting agencies and sports clubs, providing in and out of school sporting opportunities for our pupils.
- Increase children's participation in sports at break times and lunchtimes.
- Enhance our provision of the swimming curriculum to ensure a greater number of our pupils meet the National Curriculum requirements

The money is to be used as outlined below:

- Pay for affiliation, entry fees and certificates/stickers for sports competitions/sports day
- Fund sport enrichment days
- Fund swimming lessons
- Pay for playground markings
- Fund new sports equipment and storage
- Fund CPD for teachers

4. Planned Expenditure 2023/2024

| Action | Desired Impact | Cost |
|--|---|--|
| CPD for all teachers – (Time4Sport) | To provide teachers with knowledge and understanding of the key elements that underpin high-quality Physical Education across Key Stages 1 and 2. | £5700 |
| Lunchtime and after school sports club every Monday | To provide high quality PE, school sport and physical activity to our pupils. | |
| Install playground markings on both playgrounds. | To encourage our pupils to engage in games and activities during breaktimes. To improve our pupil's fitness. Court/pitch markings will enable staff to teach a range of team sports, such as netball, football, tennis, tag rugby and hockey. | £7550 |
| Further involve our more disengaged, inactive, children impacted by Covid and SEND/DIS pupils in sports within school and against other schools in festivals and competitions. | More of our SEND, DIS, in-active and overweight pupils will participate in clubs and compete for school in competitions and festivals. Improved fitness and overall enjoyment of sport/P.E. | Covered in affiliation fees to Stafford and District Sports Association. Free entry to events through School Games |
| Pay for affiliation, entry fees, certificates and transportation | St. Leonard's children will be able to compete against other schools and can be awarded certificates where necessary in all competitions available to us. | £150 |
| Whole school sport enrichment days, half termly (Time4Sport) | Pupils will experience new sports e.g archery, ultimate frisbee and handball, that they may take up out of school time or may not get the opportunity to otherwise try. Promote a love for sport and exercise. | £1530 |
| To achieve our Gold School Games Mark again | To continue to enable our children to experience inter school competitions and participate in a range of sporting events (particularly our SEND, DIS and in-active pupils) | None Free entry to events through School Games |
| Enhance our provision of the swimming curriculum | An increase in number of children meeting end of KS2 expectations. | £2686.95 |
