

St Leonard's Primary School Expectations

At St Leonard's Primary School, we believe in **care, respect,, teamwork** and **pride**. We value every member of our community and work together to create a safe, supportive, and ambitious place to learn. We encourage all children to aim high, believe in themselves, and achieve their full potential, together.

At St Leonard's Primary School, we expect strong working partnerships between staff, pupils, families and our governing body.

This document outlines those expectations.
